

Minister Nicolas Watson is a native of Columbus, Ohio and has been a member of the Pool of Bethesda CLGI all his life. He is currently a senior at Ohio Dominican University. He is the youngest son of Elders Gary & Harriett Watson. He has two brothers Elder Gary Watson, Jr. (The Maestro), and Deacon Matthew Watson.

The Lord called and anointed Minister Nicolas for his service at a very early age. Minister Nicolas was chosen by the Lord to minister unto the people in song. He started out as member of the Pool of Bethesda Children's Choir known as the *Harmonizers*. That was the beginning of Minister Nick's dynamic ministry in song. As a young teen Minister Nick was a faithful young man who has always been a servant in the house of God.

The Lord elevated Minister Nick and he was called into the ministry of God's word as a young teen and has traveled throughout the United States and Europe spreading the Gospel of Jesus Christ both in song and through the word of God. Currently, Minister Watson serves as the International Youth & Young Administrative Assistant, Publisher, and Musical Director. He also serves as the International Music Director, First Jurisdiction Minister of Music, and First Jurisdiction Liaison under the leadership of founder and presiding prelate, Dr. Joseph White.

Minister Nick is truly an industrious young man and the Lord has blessed him to be able to establish his own company. Minister Nick is the founder and CEO of Event Promotion Consultations (EPC) which was established in 2007 and specializes in promotions, advertising, and event planning of all sorts. God has great things in store for Minister Nicolas J. Watson because he is truly one of God's treasures in CLGI.
