I Thank God for the Cross

I thank God for the cross
Where Jesus died
I thank God for the cross
Where he suffered, bled, and died
If it was not for the cross
My soul would be lost
I thank God for the cross
Where Jesus died.

Oh How I Love Jesus

Oh! How I love Jesus
Oh! How I love Jesus
Oh! How I love Jesus
Because He first loved me.

If I should feel lonely
If I should feel sad
My heart's contented
And my soul is so glad
Joy bells are ringing
My spirit is singing
I'm so glad to know that He's mine

To me, He is so wonderful
To me, He is so wonderful
To me, He is so wonderful
Because He first loved me.

Peace

Peace, peace, wonderful peace
Coming down from the Father above
Sweep over my spirit forever I pray
With fathomless billows of love

The Blood

The blood that Jesus shed for me
Way back on Calvary
It's the blood that gives me strength
From day to day
It will never lose its power.

For it reaches to the highest mountain
And it flows to the lowest valley
Oh! Yeah!
It's the blood that gives me strength
From day to day
It will never lose its power.

It soothes my doubts
And it calms all my fears
It even dries all my tears
It's the blood that gives me strength
From day to day
It will never lose its power

Bless the Lord, Oh My Soul

I will bless the Lord
With all my soul
And all that is within me
Bless His Holy name

For He has done great things
For He has done great things
For He has done great things
Bless his Holy name.

Reach Out and Touch the Lord

He is passing by this moment, your needs
he'll supply
Reach out and touch the Lord as he goes by

Jesus

Oh for grace to trust him more.

At the Cross

Alas and did my Savior bleed
And did my sovereign die
Would he demote that Sacred head
For such a worm as I

At the cross, at the cross
Where I first saw the light
And the burdens of my heart
 rolled away
It was there by faith
I received my sight
And now I am happy all the day

He touched me and made me whole

Does Anybody Here Know Jesus

Does anybody here know my Jesus
Does anybody here know my Jesus
Does anybody here know my Jesus
Why don't you clap your hands and praise
the Lord

Other verse:

Does anybody here know the Holy Ghost

Walk With Me Lord

Walk with me. Lord, walk with me
Walk with me. Lord, walk with me
While I'm on this tedious journey
I want you, Lord, to walk with me

Other verses:

Hold my hand, Lord, hold my hand
Be my guide, Lord, be my guide
Guide my feet, Lord, guide my feet

Search Me Lord

Search me, Lord
Oh, search me, Lord
Shine a light down from heaven on my soul
And if you find anything that shouldn't be
Take it away and strengthen me
I wanna be right, I wanna be saved
I got to be whole

Lord you know when I'm right
And Lord you know when I'm wrong
You know all about me
And you know where I belong
And you see all of my trials
And I know you that you will see me through
Lord search me, and wash me, & cleanse me
I wanna be right, I wanna be saved
I got to be Holy

Through the Years I Keep On Toiling

Through the years I keep on toiling
Toiling through the storm and the rain
I've been watching and patiently waiting
Until my savior comes back again
Hide me in your love
Lord, write my name up above
And when the gates swing open
I'll walk right on in

Teach me to love my neighbor
Teach me to love all my friends
Fill me, fill me with your Holy Spirit
Until my savior comes back again
Hide me in your love
Lord, write my name up above
And when the gates swing open
I'll walk right on in

I Don't Know Why Jesus Loves Me

I don't know why Jesus loves me
I don't know why he cares
I don't know why he sacrificed his life
Oh, but I'm glad, so glad he did

He left his mighty throne in glory
To give to us redemption story
Then he died, but he rose again
Just for you and me
Oh, but I'm glad, so glad he did

Where would I be if Jesus didn't love me
Where would I be if he didn't care
Where would I be if he hadn't sacrificed his
life
Oh, but I'm glad, so glad he did

God is An On-time God

He's an on-time God, yes he is
He's an on-time God, yes he is
He may not come when you want him
But he'll be there right on time
He's an on-time God, yes he is

You can ask the children of Israel
Trapped at the red sea
By that mean old Pharoah
And his army
They had water all around
And Pharoah on their tracks
Out of nowhere, God stepped in
And made a highway just like that

You can ask the five thousand
Hungry souls he fed
On the bank of the river
With two fishes, five loaves of bread
What a miracle
He performed for the multitude
What he did way back then
He'll today for me and you

The Best of Everything

You may not be the best of everything
Or have the best of everything
Sometimes you feel that you're the least of
all

But I know someone who has everything
That someone is my everything
And I'm so glad just to know that I'm his
child

His name is Jesus, the righteous son of God
The lily of the valley, the bright and morning
star

His name is Jesus, the righteous son of God
And I'm so glad just to know that I'm his
child

I Have Decided to Follow Jesus

I have decided to follow Jesus
I have decided to follow Jesus
I have decided to follow Jesus
No turning back, no turning back

The world behind me, the cross before me
The world behind me, the cross before me
The world behind me, the cross before me
No turning back, no turning back

No one go with me, still I will follow
No one go with me, still I will follow
No one go with me, still I will follow
No turning back, no turning back

I'm A Child of the King

I'm a child of the King
I'm a child of the King
Jesus is my savior
I'm a child, just a child of the King

My Father is rich in houses and land
He holds the wealth of the world
In the palm of his hands
He's got rubies and diamonds
He's got silver and gold
His cupboards are full
He's got riches that ain't never been told

I once was an outcast, a stranger on earth
A sinner, not by choice
An alien by birth
But now I've been adopted
My name is written on the roll
I'm an heir to his kingdom
I've got a robe and I've got a crown

Amazing Grace

Amazing grace
Shall always be my song of praise
For it was grace that bought my liberty
I do not know
Just why he came to love me so
He looked beyond all my faults
And He saw my needs

I shall forever lift my eyes to Calvary
To view the cross, where Jesus died for me
How marvelous!
The grace that caught my falling soul
He looked beyond all my faults
And He saw my needs

I Go To The Rock

Where do I go,
 When there's no one there to turn to
Who do I talk to,
 When there's no one there to listen
Who do I lean on,
 When there's no foundation stable
I go to the rock, I know that He's able
I go to the rock

I go to the rock of my salvation
I go to the storm that the builders rejected
I go to the mountains
And the mountains stand by me
When the earth all around me is sinking sand
On Christ the solid rock I stand
When I need a shelter, when I need a friend
I go to the rock

What God Has For Me

What God has for me, it is for me
What God has for me, it is for me
I know without a doubt
That He will bring me out
What God has for me, it is for me

It is for me, it is for me
What God has for me, it is for me
I know without a doubt
That He will bring me out
What God has for me, it is for me

I've Decided to Make Jesus My Choice

Some folk would rather have houses and land
Some folk choose silver and gold
These things you may treasure
Don't forget about your soul
I've decided to make Jesus my choice

The road gets rough,
And the going gets tough
And the hills are hard to climb
I started out, a long time ago
There is no doubt in my mind
I've decided to make Jesus my choice

I made him my choice
I made him my choice
I made him my choice
I made him my choice
I've decided to make Jesus my choice

If I Had Not Been

If it had not been for the Lord on my side
Where would I be, where would I be
If it had not been for the Lord on my side
Where would I be, where would I be

He kept my enemies away
He let the sun shine through a cloudy day
He rocked me in the cradle of his arms
He knew I had been battered by the storm

Because He Lives

God sent his son, they called him Jesus
He came to love, heal and forgive
He bled and died
Just to buy my pardon
An empty grave is there to prove
My savior lives

Because he lives, I can face tomorrow
Because he lives, all fear is gone
Because I know who holds my future
My life is worth the living just
Because he lives

In A Building Not Made By Hands

Lord, keep me day by day
In a pure and perfect way
I want to live, I want to live on
In a building not made by hands

Lord, keep my body strong
So that I can do no wrong
Lord, give me grace
To run this Christian race
In a building not made by hands

I'm just a stranger here
Traveling through this barren land
Lord, I know
There's a building somewhere
A building not made by hands

I Know What It Means to Live Holy

I know what it means to live holy
I know what it means to live right
I know what it means to suffer
Is to gain eternal life

I would not be a sinner
I'll tell you the reason why
I'm afraid that the Lord might call me
I would not be ready to die

When I see Jesus, Amen
When I see Jesus, Amen
All my problems they will be over
When I see Jesus, Amen

His Eye Is On The Sparrow

Why should I feel discouraged
Why should the shadows come
Why should my heart feel lonely
And long for my heaven and home

For Jesus is my portion
A constant friend is he
His eye is on the sparrow
And I know he watches me

I sing because I'm happy
I sing because I'm free
His eye is on the sparrow
And I know he watches me

Lord, You Sure Been Good to Me

Lord, Lord, Lord, Lord, Lord
You sure been good to me
Lord, Lord, Lord, Lord, Lord
You sure been good to me
Lord, Lord, Lord, Lord, Lord
You sure been good to me
You been better to me than I've been
To myself

Other verses:

You woke me up early this morning
And I was clothed in my right mind

You saved my soul sin
You gave me peace within

Near The Cross

Jesus, keep me near the cross
There's a precious fountain
Free to all a healing stream
Flows from Calvary's mountain

In the cross, in the cross
Be my glory ever
Till my raptured soul shall find
Rest beyond the river

I Need the Lord Just to Guide Me

I need the Lord, just to guide me
Everyday
Oh, as I travel along
Along this narrow way
Oh, life's afflictions they can burden your
soul
But I'm determined to make heaven my
home
Oh, I got to have Jesus
For I just can't make it by myself

Refrain

Everyday, we need to pray, and pray, and
pray, and pray, and pray, and pray
(Congregation repeats on each "pray")
Every morning and every day
Then we ask the Lord, Jesus
Don't leave me by myself

Every Sunday, every Monday, every hour
of the day
Every week, every month, till the end of
a day
Oh, I got to have Jesus
For I just can't make it by myself

Repeat Refrain (2nd part can also be)
Every second, every minute, every hour
of the day
Every week, every month, till the end of a
day
Oh, I got to have Jesus
For I just can't make it by myself
