Aloha Saints of The Most High God,

Currently here in Hawaii, the Missions Department is donating non perishable items to Institute for Human Services in the local area. Pastor Andrew Littlejohn, along with various Saints, travel monthly to the island of Kauai and Kona to conduct bible studies, canvass and share God's word.

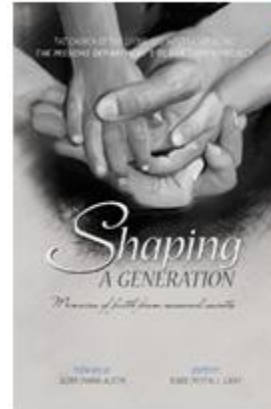

We will be having an outdoor picnic in April or May, which we do yearly, to bring the Word of God forth into the public arena. It's such a blessed time as it usually draws someone to fellowship with us as well as others listening in and being blessed by hearing God's word.

We will continue to strive at reaching out to as many souls as possible... sharing God's greatness and compelling them to come this way. Luke 14:23.
